Offizielle GMN Vertretung:

The image is a horizontal banner. On the left, there is a technical drawing of a motor shaft cross-section with labels A1, A2, and T2. On the right, there is a close-up photograph of a metal shaft with a brass-colored flange. Engraved on the shaft are the specifications: 0.5 kW, S 1-100, and 250000 1/min. Below the engraving, the text "Made in Germany" is written in a script font.
